Dear Larkin Family,

Sending warmest condolences as you mourn the loss of your brother Regis. There is a lovely Eskimo quote that may bring you some comfort ~ "Perhaps there are not stars in the sky, but rather openings where our loved ones shine down to let us know that they are happy." Today and always, may loving and happy memories of Regis bring you peace and comfort.

A donation to the National Alliance of the Mentally Ill (NAMI) has been made in Regis' honor.

MR

Regis,
I am so glad that I was able to meet you the few times that I did. I enjoyed our conversation. You had a sweetness that is a rare find and was beautiful to be around. This world was cruel to you and it never seemed to let up. To that I am so sorry.
I hope now you have found peace.
G-d bless you.
