“ What can I say, I've known "Abey Baby" since I was 20 years old. My mom and him were friends from Strawpump Bingo. I called him Abe because he wore a very long beard when I first met him - reminded me of Abraham Lincoln. Always joking, always smiling, constantly "jagging" me when we would sing. He did enjoy life! See you on the other side and thanx for always singing Suspicious Minds for me! Sincere Condolences to his family, Tina Fry
