“ *I have many fond memories of time spent with my Grandma! From Christmas Eve's spent in her and my Pap's home, looking forward to what kind of ornament I would get to vacations at the beach and camping in Marienville! I always thought she made the best toast and tea, and loved the aroma of coffee brewing when you walked through the door! The kitchen table was a place of gathering with any family there for a visit and would look forward to seeing who was there! I was blessed to have her for so long and will cherish our last days together. Till we meet again, give everyone a hug! Love you ❤️*
