“ Oh my Bubba. You took me in and raised me as your own. I love you more than words. Everything good in me comes from you. I've tried to raise my babies with the same morals and unconditional love that you've always showed me. I know I've disappointed you from time to time, but I've always lived my life in a way that I hoped would make you proud. I miss our conversations, your advice and the way you always made me laugh. You took a big piece of my heart with you. Rest easy my beautiful Grandma, you've earned it and you deserve it.

“ *Sitting and thinking about how you used to make fried green tomatoes and used to pick your own mushrooms (which I wish I remember how to do) and your homemade mustard relish. But the best memory of all is how you took an innocent Land O Lakes Indian and turned it in to a dirty picture. Lol great memories that I passed on down. Love you Gramma*

“ *Colton and I hear the craziest stories of great great grandma "hangger" from dad. I know that you will be with the entire family in spirit and with colton his entire life. Great gram was able to provide me with the biggest loving family I have ever met. Nothing would be possible with out her. And though us her love will be forever passed along.*
