“ *Annie was the best friend a person could have. Even though for the last 40 years of friendship Annie was in Pittsburgh and me in Florida we never lost touch calling each other once a month and visiting every time I was in Pittsburgh. I miss her every day. My deepest sympathy goes out to the family. Annie was their rock. Mimi* ”

“ *How could anyone leave a memory of someone so sweet and caring as my aunt especially when she left me with so many. Her smile and her love for family and friends her open door for her children and ALL of their friends to come and go. Just a year ago before my father passed she drove 35 min each way to and from her house every day to sit with her brother Fred as there was 20 min where he was unattended between me leaving and my wife arriving. Anyone who knew her totally understand s what I am saying God now has the most amazing angel ever. We will miss you aunt Anne and I love you.*
