

Anthony J. Mazak

December 16, 1928 - August 30, 2025

Anthony J. Mazak, age 96, of Glenshaw (formerly Harwick, Markle, Springdale) passed peacefully on Saturday, August 30, 2025. He was the beloved husband of Lois Flinn Mazak for 74 years.

Born December 16, 1928, to Anton & Louise Mazak, he was the dear father of Mark (Janet), Kathleen (Tim), and Susan (the late Gregg). Extremely proud grandfather of Chad (Laura), Megan, Alan (Gaoder), Graham (Lauren), Nathan (Allie), & Tessa (Matt). Great Grandfather of Cecilia, Grant, Lucas, Raina, Lily, and Mason. Brother of Mary (age 100) and the late Peter and Stella.

Tony graduated from Carnegie Tech in 1961 (after 13 years of night school) with a degree in electrical engineering. He worked as an engineer for 40 years at Alcoa where he formed lifetime friendships especially with his cherished "Board".

Years ago, when Tony insisted upon having input into his future obituary, he wanted to make sure that we included that he was a "star" receiver at Springdale High School and also enjoyed bowling, golfing, fishing, hunting, camping, and watching his grandchildren with their activities.

Tony went by a lot of names such as Papa, Grandpa, Dad, Uncle Tony, and even "Hey Guy", but they all have the same meaning. A man who had the uncanny ability to light up a room with his infectious smile. He simply looked at the world through a different lens and found the good in everyone and everything.

A private celebration of life will be held at a future date.

“ Memories....Mr Mazak ALWAYS had a big smile on his face & asked about our family when we ran into him shopping at The Pgh. Mills. Often he had an interesting story to tell. He loved his grandkids & cherished going to all their school & sporting events. Once I knew he liked pineapple upside down cake, it was my privilege to make several for him. He was always appreciative. Our whole family will miss him.

“ Uncle Tony was just an outstanding man. He could fix anything and always did. His love for his family, primary & extended, knew no bounds. His smile was infectious and his scrambled eggs delicious. He taught so many kids to body surf in the waves of Myrtle Beach on countless summer vacations. His big bear hugs will be missed. Until we meet again, love you Uncle Tony.
