“ I will never forget the times when my good friend Julie and I were in college and used to drive out to Pittsburgh for a weekend visit with the Spencers'. Arthur and Rita were always so warm and welcoming and made me feel right at home. Arthur would often take us out to dinner and to other great places in the area. Rita would sometimes take us girls out shopping. We'd drive back up to the house and would see Arthur through the living room window, in his chair reading by the lamp. He was a very kind and thoughtful man who loved and cared for his family. He will be greatly missed. My heartfelt sympathies and prayers go out to Julie, Dave, Bill, Tom and all other family members and close friends. Sincerely, Sheryse Puma
