

Barbara Miskovich

December 27, 1950 - June 9, 2022

Barbara E. Miskovich passed from this world on Thursday, June 9th, 2022, to find her place in the next world.

She is preceded in death by her husband, Gaze Miskovich, her brother, James Flatley, and her beloved four- legged son, Sundance, her companion and fur baby soulmate. She leaves behind her brother Robert and his children and grandchildren, her stepchildren, Jimmy and Terra Miskovich, who she loved as her own, her niece, Gretchen (Mike) Flockerzi, her nephew, Jimmy Flatley, her fur baby, PupPup, her treasured friend of 52 years, Kathy Park, and a list of friends far too numerous to mention (but you know who you are). Also, a special thank you to Marsha Steele, her other wonderful caretaker.

Barb will be remembered for her generosity, kindness, humor, her strong commitment to friends and family, consuming food, and her lifelong hobby of procrastination, which she mastered early in life.

As per Barb's wishes, there will be NO service. To honor and remember this beautiful soul, think of her when you smell a flower, watch a bird soar, pet an animal, eat chocolate, or run late for an appointment.

“ *Barb and I shared a love of flowers and plants--especially at this time of year. Once my son, Scott and i were at Brenckles' Nursery and I looked up and there was Gaze with his glorious smile standing in the entry! But no Barb? She didn't make it to the entry--she was checking out the flats of annuals out front. She did come in then and it was a wonderful, spontaneous flower excursion among friends. One of many memories to treasure. Barb was quite amazing and much loved.*

Bob and I always loved talking to Barb, and to Gaze before he passed, at the annual 4th of July party to celebrate Bob's Mom's birthday. Barb and I discussed our mutual love of flowers. She even brought me a plant and we exchanged seeds.

On the times I brought my fur baby Bridget, Barb always petted her and gave her a treat from the food table.

We have missed Barb from the 4th parties the last few years due to her illness. Thank you Kathy Park for your care and support. May Barb now rest in God's hands.

It is with great sadness that we have learned of Barbs passing . Losing someone who has been a part of your life for so many years must be very difficult . May it help to ease the hurt you feel now to know that others care and are thinking of you at this sad time. Please accept our heartfelt condolences. Barb was a wonderful person I knew from high school.

Barbie was my good friend all the way through high school and after. From her front porch she could see the farmhouse where I was raised. Any time I was in Cranberry I would stop just to say Hi to her and Gaze. Gonna miss you girl.
