November 18, 1938 - October 22, 2019

Barbara "Sis" London Stephens

Age 80, peacefully passed away October 22, 2019, at her home in Springdale Township with her daughters at her side.

She was born November 18, 1938 in Curtisville to Robert and Helen London. A graduate of West Deer High School along with her brother Robert "Bobby" London and her sister Beverly "Babe" Jackson whom she is now joining. After graduating business school, she was employed at Alcoa. She was swept off her feet at a local bowling alley, married and moved to Dugway, Utah. She became a pillar of the community and found her passion in volunteering for the Women's Club, as a Candy Striper, a substitute teacher, a lunch lady and a room mother. She also promoted and volunteered in youth activities of ballet, gymnastics, and chaperoned for the teen club. Her biggest joy was coaching the Bantam and Junior bowling leagues of 96 children/teens for over 20 years. She herself had the potential of a pro-bowler and often was the "anchor".

She is survived by her loving family, her biggest pride were her two daughters, Kelly Lee Stephens Presutti and Page London Stephens Ames (Matthew); her two grandchildren, Trevor Stephens Herr (Frankie) and Siera Page Brannock (Erik); her in laws, Preston Jackson and Martha London; and several loving

cousins, nieces and nephews.

Please honor Barbara by remembering her infectious laugh, beautiful smile and her strong will.

In lieu of flowers the family is requesting donations to the Leukemia and Lymphoma Society and to your local blood bank in her memory.

Services will be held at a date and time to be announced.

“ *I remember so many fun days and nights hanging out at the Stevens' house; I remember dark blues, dark purples, a cat clock with shifting eyes and a swinging tail, and many, many laughs and wonderful childhood memories. And from that house I got a friend who, even tho I don't get to see her that often, I know will always be part of my life and in my heart. Thank you, Barbara. You will be missed. - Bonnie (aka Dove)*

Oh geez. STEPHENS!! I apologize. Spelling habit from work. I'm mortified.

“ There are not enough words and definitely not enough time to tell how Barbara aka "Mom" Stephens impacted my life and many other kids growing up in Dugway. She was SO involved with the many aspects of youth activities - class parties, the Teen Center, and, of course, Youth Bowling at every age level! Her passion for bowling was only eclipsed by her passion for kids growing up in a remote Army Post. Memories of Mrs Stephens are deeply intertwined with my childhood memories, and I am grateful for all the time and energy she dedicated to making life better at Dugway. She will always be in my heart.

“ Breaks my heart to read this obit. Barbara truly was the pillar of the community at Dugway and she was my favorite person there during my 5 tours of Dugway. Always always a pure joy to be around and we bowled in a few leagues for a few years on the same team. She was a winner in everything she was involved in. Especially raising two brilliant beautiful girls. Love this whole family

"Sissy" and I were best friends and neighbors growing up in Curtisville. We didn't see each other very often in later years but when we did that old connection was still there. Her laugh and enthusiasm for life were infectious. Am thankful for a recent conversation when her sister Beverly passed away. My condolences to all of her family. Love, Jani Allen Escuage
