“ *To Bonnie's Family,*

I am so very sorry for your loss. Bonnie was a friend and a wonderful person. We have been friends since we all lived in the same apartment building (Wellington Square) years ago. I am sad for her loss but happy that she is out of pain and at peace. Bonnie called her own shots about her life and I am proud of her for making ALL of her own decisions. May dear Bonnie rest in peace. She will be missed.
