“ Grandma,
It was always a pleasure when you were near,
or a long late night phone call. Your laugh
was infectious, & it could light up a whole
room. Because of you, I found my love for
hockey (probably the one & only kid in Alabama) due to your love
for the Pens. With the sweet, yet oversized, Pens gear you
delivered, I still rocked it knowing you got it for me. Although, I know
you haven't been a fan of them since a change in management, I
still think of you every time watching them. Give dad a big hug from
me.
I love you, Grandma!
