“ *I rode a vanpool with Carole for about 20 years into Pitt & CMU. Carole was always so pleasant to have around. I'm sure she will be greatly missed.*

“ Mrs D has always been one of the sweetest people i have ever known! Always happy and smiling! I joined her and Lisa for lunch not too long ago. It was such a treat to be with her. We laughed and had a great time. Such a pleasure to be with! She was enjoying life!!! I'm not sure who enjoyed the dessert more, her or I !

“ When I was about 13 years old , I needed a dress for something that was going on in school. We had to go up on stage and receive some kind of award . I asked my sister Carole if she would make me a dress? Of course she said yes! I described exactly how I wanted it and what color. Well , the dress she made me was perfect ! Exactly what I wanted. My sister was the best and sweetest person I know. She will be missed. Jean Block

PS

“ Carole was a wonderful sister and a really good person in general. Anything she did, she did well. What I will remember most about her was her laughter whenever we got together. She always had a good time even if it was just sitting around the table chatting. I'll miss her not being here but I am so grateful she is finally at peace.
