“ *Uncle Charlie you were loved and will be missed.*

There are so many memories but the ones that stick out are when my girls were little and we used to go to Kennerdale with Aunt Marg.

You would come up and have breakfast with us and then sometimes spend the rest of the day together.

As is fitting my mom, your sister Connie, and I had a drink to celebrate your life and to mourn your passing.

I know you are in a better place and at peace. Know you were loved and will be remembered.

Your niece, Debbie B.
