“ I've known "Uncle Charlie" my entire life. A dear and longtime friend of the Morton family from Huntington, WV. With Charlie's guidance I also attended Wabash College. Charlie was a staple at all family gatherings most memorably Thanksgiving and Christmas. Charlie also joined us on Manitoulin Island in Canada on our summer vacations. He will be dearly missed.

“ Charlie was my cousin. We grew up together in Waynetown and Crawfordsville in the 1940s and 1950s. I will remember his laugh most of all and our shared love of classical music. His memory is a blessing.

Sally, Thank you! I'm Mary Beth Quillin, Don's daughter. I have been wondering how many cousins and second cousins are left, and how to get in touch. I don't really want to post my email or phone number on a public site, but will figure out a way!

Charlie was the best! My sisters and I were so sad to hear of his passing. We visited Charlie in 2021 and had such a wonderful time. He will be missed. We loved to hear him tell stories about himself and our mom(Shirley Krug Blair)in their younger days! They had fun! Charlie was quite the scholar and had a humble and kind spirit. Our prayers are being sent to Mary Beth and Shawn with love. Carmi Swanson, Lisa Blair, and Adele Hardin

“Charlie will certainly be missed. I cleaned house for Charlie for over 10 years and he was a very kind and considerate person. He certainly cared for his dogs Franklin and Madison. Charlie and I shared the same birthday month, and would be sure to send each other cards on our birthdays. I will certainly miss him and wish to express my sympathy to all his friends and family.

“The neighborhood will miss Charlie. He loved having wax begonias planted in his front yard. Also loved red geraniums. Had speakers out to his deck and could be found sitting there listening to classical music and grilling. Also loved watching the birds coming to my feeder. Favorite bird was tufted titmouse. A religious man he could be found listening to services on his computer. Most of all he loved he Schnauzers Franklin and Madison. I know you are finally at peace.
