*I will miss Uncle Chuck, he was my godfather and told me so many stories over the years! I was so glad I got to see him recently, he was still so full of life and has a special place in my heart. Much love to all of your family (my cousins) and prayers. You had an awesome dad!*

*Chuck was my Brother In Law, but I considered him an older wise Brother!! He had that simple faith in his Savior that we all could emulate! I have a million "Chuck" stories, but the most important story is the fact that he was a good husband to my sister, his dear Irma, not always an easy task, but he did his best for decades! I loved you brother, rest in peace!!*
