October 20, 1943 - November 11, 2023

Charles R. Steban

"Chuck"

Age 80, of Hempfield Twp., passed away peacefully surrounded by family on November 11, 2023. Beloved husband of 51 years to Theordora Steban; loving father of six; grandfather and great grandfather to many; brother of Ronald Steban, Bruce Steban, Sherry Bianco and the late Victor P. Steban; son of the late Victor H. and Ethel M. Steban. He also leaves behind nieces, nephews, extended family and friends.

Chuck was a navy veteran as a young man. He drove tractor trailer until retirement and even had his own trucking business. He loved fishing, riding his motorcycle, boating and spending time with his family and all of his kids, grandchildren and great grandchildren who brought him so much joy in his life. He lived and worked for his wife and family and made sure everyone was always taken care of. Chuck knew people all across the county and had many friends, some of whom passed before him. He fought a good fight, lived a good life, and bestowed many valuable lessons and knowledge to all of us. He was the best husband, father, grandfather great grandfather, brother, uncle and friend. We will miss him beyond what words can describe, and we know he will always be with us and watching over us, until we all see him again one day.

“ Chuck was such a great guy! He and my dad hit it off immediately, and developed a great friendship that went way beyond the initial business relationship. Chuck was a great ambassador for our company, and a good friend. Not to mention all the pup connections he and Dori gave us with the Yorki's over the years! He will be missed indeed! God speed, Chuck!

So very sorry to learn of Chuck's passing. He was such a good soul. We remember him taking our youngest son, Drew, for rides with him in his truck. He hauled many beautiful trees for us. He was friendly and generous to all. He'll be greatly missed!

“ *My thoughts and Prayers are with Dori and the family. I can still remember the day that Chuck and I met in the summer of 96. We immediately became buddies!!! Got on our bikes and went for a ride and it was history from there. It was great getting to know the family and he definitely made sure that his family was taken care of. He was just someone that you could pull up a chair with and the next thing you know 3 or 4 hours have gone by. I am sure going to miss that. Rest easy Chuck!!!*
