“ Cha Cha I have so many memories of you. We had fun and I'm so sorry to hear about your passing. I will always remember your sense of humour, your laugh and that sweet beautiful smile and how you like to separate your clothes when placing them in the dryer. I hope you are at peace and sending hugs and prayers to Nina and Mona and your whole family. You will be deeply missed. Josie Grande

Cha cha. I have so many fond memories from grade school to high school. We had gotten together a few years ago with a few friends and had a great time. You always had a smile on your face even when you were in pain. You are such a sweet sincere lady and will be sorely missed . Rest In Peace my friend ❤️🙏
