“ *Sending my deepest condolences to the Brayer family on the passing of my longtime friend, Chris.*

Growing up together, you were not just a good friend—you were someone we could always count on for an adventure. Whether it was a simple trip to 7-Eleven, hanging out on the corner, or driving out to North Park, and all those football games we played together. Those moments are memories I will always cherish.

Thank you for your friendship, for protecting me when I needed it, and for the countless laughs we shared. I will always miss those days when our families felt inseparable.

May eternal rest grant unto them O'Lord and let perpetual light shine upon Christopher

Rest in peace, my friend. You will be dearly missed.

“ I would like to extend my deepest sympathy to Chris' family. I was so shocked and sad to hear of his passing. Chris was a wonderful person and co-worker. I previously worked with him at Marshall, Dennehey for many years and he always had a smile and kept me laughing-you could always count on Chris for a good laugh. I will always remember his funny stories and the immense love he had for his wife and family.

Chris; I will forever miss seeing you in town and all the laughs we shared. Heaven is blessed to have a true angel. Rest in peace, Chris-I will miss you!
