Tribute Wall

DA

“ To "Mrs. Miller's" kids I send sincere condolences for your loss. It feels like a different lifetime when I was visiting your house before we went somewhere to play Frisbee or do something with an old baseball. I was always a little afraid of you mom but felt relieved when she would always smile and say something funny. We always made too much noise playing ping-pong in the basement and she would let it go with just a question: "what's going on down there?"
Rest in peace now, Mrs Miller.

“ From a nurse who cared for her during her time at Harmar Village. She was a joy to care for and always knew how to put a smile on my face. She had a great sense of humor and was always making us laugh at something. God bless!
