“ *My heart is heavy hearing this news. I grew up with Davie (Audio) who lived a few houses down the alley. Very fond memories of him and his family as everyone on the block was like family. I know your road was not easy and most won't ever know the sacrifices you made for your family, but I do. Rest easy my friend, you deserve it!*

Our condolences to the family and prayers for peace in this difficult time.

Erin & Family: All of you have my Deepest Sympathy for your loss of Dave. He fought a tough battle in life but I remember his candor and laugh. There are no words I can write to ease your pain, know you are not alone. May he rest in peace. Many prayers and thoughts.

Davie. What wonderful memories of our neighborhood and having fun in our back yards. It's been a long time since I've seen you, but any time our paths crossed you were always a delight to see. The same with all of your brothers and sisters. Norm, Debbie, Susie, and Diane, know that you along with Dave are all thought of with the highest regard. I pray for all of you, as well as your families. I don't know Dave's wife and family, but they are in my prayers, too. Love you guys.

I was the next block over and a few more years older but I knew Dave for a long, long time. Always had a smile and a kind word. My sympathies to his Family. Great memories.
