“ *Condolences to the immediate family on the loss of their father and condolences to cousins Ja and Mike on the loss of their brother. Personally didn't know Dave that well but from what I do know he was a good man. Sending love from the Schrecengost's . Love you cousin you will be missed. Bill Schrececengost (Chucks son)*

“ *Dem was a very good friend to me and my partner Allen, who passed away in June of 2016. Dem was always ready to help out with community causes and spiritual type events in and around Pittsburgh. Dem, as far as I understand was a lifelong student of metaphysics, and the spiritual realms. Dem was co-facilitator for The Pittsburgh Metaphysics Meetup group for 2 years and will indeed be missed profoundly. Blessings to Dem.*
