

David T. Lindsay

November 22, 1948 - July 15, 2016

David T. Lindsay

Age 67, of Butler, passed peacefully at home, surrounded by his loved ones on Friday, July 15, 2016

He was born in Pittsburgh on Nov. 22, 1948, the son of David C. Lindsay and Veva (Reep) Lindsay.

Dave made his living as a roofer, but his lifelong passion was bike and car restoration. There was not a better body man in town and the garage door was always open for his many friends who stopped often to chat about old times and new. He was loved by everyone whose lives he touched.

He is survived by four sons, Jason W. Lindsay and Robert D. Lindsay, both of Antioch, IL, Christopher M. Lindsay, and Dustin T Lindsay; along with his fiancée, Elayne Scott, of Butler. Dave had two grandchildren, Stephanie Penick and Gage Lindsay both of IL. He is also survived by his brother, Scott and wife, Jan Lindsay, and their daughter; a great niece; and his loving best friend and partner in life, Karen Bopp, and her children who loved him like their own father. Lest we forget, he will be greatly missed by "Chuckie".

He was preceded in death by a son, David J Lindsay; and his parents.

There will be no services, but a memorial ride and gathering at a later date. All who knew and loved him will be encouraged to attend in sending him on his "last ride".

Donations in Dave's name can be made to <http://www.copdfoundation.org/>

“ *Terry was one of a kind--a cousin, a talented artist, a self-professed bad-ass with a bigger heart than anyone could imagine. I'll never forget when he rode a beautiful trike into my Mom's yard when we were having a family reunion there. I hadn't seen him for years and we immediately hit it off and became the best kind of friends that cousins can be. I moved away and lost touch but he has a very special place in my heart for as long as I live. RIP, Cuzzin Terry--- Terrence Lee--may you find peace.*

“ I met Dave about 30 years ago, when I was a bartender at the Alcove bar, in Butler. From day one he always made me laugh and was always there for anybody who needed him. He was a great and kind man. RIP old friend, you will be missed.

“ From the day I met David until the last time I saw him - he always made me smile. David was a wonderful man with a big heart. He will forever be missed by so many people. Next time I hear the thunder roll I will know that he is in Heaven riding his Harley with my step-dad and many others who have passed before him. Rest in Peace my friend. My prayers are with the family and loved ones during this hard time.

My mom said that to me about my dad "David Lindsay" about whenever it rains & it starts to thunder that's my daddy. Seeing how everyone has been talking about my grandpa Dave he sounded like a wonderful man, if he was anything like my dad he will forever be in my heart too!! <3 :)

“ Dave, you took me in many years ago as a daughter... Then love put you and mom together and the daughter love became an even tighter bond. You watched over me and looked out for me majority my life and for that I am forever grateful. Gosh I'm gonna miss hearing "You're just like your damn mother! You never listen, but I still love you"... We never ended our phone calls without saying I love you.... Well Dave, we'll still have those conversations and I'll still always end them with "I love you".... Ride high and large.... I'll bet there's a rumble in heaven now... Again, I love you..... And yes I asked mom if she took her medicine 😊
