“ *I am so sorry Lynn for your loss. We haven't seen you and Dave since the 1990s. Dave was a good person. On one Christmas, we bought him a pair of black snow gloves. I still have pictures of you all going to a high school dance. If the family wants, I can go thru all pics and find them.*

“ Dave was one the nicest people that I have ever known. I will miss hanging out with in at Bobs, or just coming together for family events were we would joke around and talk about football, or just everyday life. You have left us too soon, and I promise to always be there for the girls no matter what, and always keep them safe. Rest easy my friend, until we hang out again. Love Casey

“ Dave I will definitely miss you! You were such a good childhood friend to me. I have so many good memories of us and a bunch of the Sharpsburg gang playing outside until dark. It's not fair that your life was cut short but in your passing it brought your daughters and you closer to God. I was so happy to see you guys get baptized! I'm so appreciate of that last time we all went out and will cherish that memory. Lynn and your family; I will always love you guys and will be praying for peace and comfort for you guys. Bev you're were such a good mom, and I will be praying for you too.
Love and hugs

“ Beverly "My Lifelong Friend" and The Reina Family,
There are no words I can find to tell you how badly Lou and I feel to learn of David's passing. So sorry we never had the pleasure of meeting David, but at the time we reconnected, circumstances beyond our control prevented us from doing so...but David was always in heart and prayer. Bev, I am so happy that we reconnected. I am hoping we keep in touch. Sending hugs and prayers to you and your family. David will always be with you. Never ever forget that He is only a memory away. Let your memories remind you of all the happy times in his life...and David..if you are reading this, you have earned your wings...soar with the angels, complete and whole and free of pain

“ Dave I love you and miss you so much already. I will miss our daily phone calls and hanging out together. Nobody understood our relationship of how we remained best buds but we beat all odds of a divorced couple. Only we understood and didn't care what anyone thought. Our love for each other never went away and we raised three beautiful girls together. You made everything so easy. Casey and you liked watching football, talking and hanging out together. He will miss you so much. Laci, Maddie, Tanner and Hunter will miss you. You were their “Buddy” they thought of you as a second Dad. They were always excited when we would see buddy or talk to you on the phone about what was going on in their lives or if they had a problem. You will be in our hearts forever and until we see each other again in Eternity. Jesus loves you ❤️ And so do we ❤️🙏
