“ *Gloria,*

I want to express my heartfelt sympathy for the loss of your brother Dave. It is difficult to find the words to express comfort at a difficult time like this for you and your family. I had the privilege of working with "Smitty" for nearly 40 years at Bacharach, Inc. Dave exhibited and model work ethic and effort, and was a caring person and friend to many, myself included. I know that he will continue to live on in the spirits and memories for those who crossed paths with him in this life. May you, and all your family find peace and hope in the weeks and months ahead as you grieve his passing.

*With sympathy and prayer,
Russ Fry*
