“ Jackie and Tomilyn---you have my deepest sympathy. The first time I saw Dawn was when she was an adorable curly-haired preschooler talking and laughing with her new friend--my Susan. The last time I spoke with Dawn Marie was a year ago---I can still see her beautiful smile as she told me about her two sons---so proud of them. You are all in my prayers. God bless. “ I remember meeting her in the 9th grade and becoming friends. She was my first friend at fox chapel. Her me and truc would hang out in sharpsburg all the time after school. Her and Betsy hung out all the time they were best friends but they always included me. I remember the first time we hung out she pierced my eyebrow and her mom caught us lol. I will miss you, your laugh and your amazing smile that lit up a room. Your family will be in my thoughts and prayers. And you will never be forgotten my friend.
