“ *I am so sorry for your loss. I have many fond memories of Debbie from grade school through high school. We were in Band, 4-H, and Class of 1974 together. Rest in peace my friend.*

“ I have so many wonderful memories of Debbie from my childhood, teenage, and young adult years that I consider myself very lucky to have had such a wonderful and special cousin to grow up with and know all these years. Deb is very much apart of so many of my favorite memories and I will treasure these memories forever. We will miss her wit and dry sense of humor and her love for her family. Debbie did not recognize us in the last few years of her life, but, I like to think that she continued to know us in her long term childhood memories. She was a special lady and I am grateful that she has found peace. We will not be able to attend her memorial on January 6th, but, we will be there in spirit and we will be there in person at the Good Reunion to watch Deb finally be free to fly and rest in peace. Much love and sympathy to Rick and Family, Donna, Scott, and Matthew. You are in our thoughts and prayers today and in the months to come.  
Much love,  
Patty

“ *Wow, as I am sitting here looking back on all the fond memories, it seems such a short time ago I was watching Debbie and Donna grow up. Remembering the Sunday dinners, the Christmas gatherings and just getting together as a family on weekends. Awesome Debbie! and now you have entered into the presence of the Holy God. Until we meet again.
