“ *It's hard to lose such a good friend. Diane had a knack for telling it like it was! You always knew where you stood with her but she was also generous and kind and would go out of her way to help someone. She always made us laugh, we all loved her so much. It's hard to say good bye but we know she is in a better place and will continue to watch over us all.*

“ Vince, I am so sorry for your loss. You and Diane were definitely two peas in a pod and made for each other! I have amazing memories of Diane and although we grew apart over the years she will always be remembered for the great times we had together and the friendship we shared.

“ *Diane was the best sister a brother could ask for. She always had your back NO MATTER WHAT. Even if you 2 were in a heat argument. She would be there for you. And she spoke her mind no matter what. And did care what people thought of her. The one thing you shouldn't never have done is mess with her family. Just gotta say one thing God help you if she got you. In closing LOVE 💕 YOU SISSY DIANE I will miss you. SIGNED your baby brother Matthew Jacob Gurtner Sr*
