“ *Dear Jared and Jillian,*

I was shocked and saddened to hear of Diann's passing. I'd not been in touch for the years after she left Snyder. I have such happy memories of shenanigans at the school. Due to her love of Richard Gere, I once cut out a large picture of him and taped it to the door of her coat closet with the conversation bubble, "Mornin', Diann!" on it. Then a few of us hid to watch her laughing hysterically when she came face to face with him. We also played trivia at the Guthrie many times with other friends. I know one thing for sure: She loved and was so very proud of you both!

I loved the word tenacious in her obit, knowing that cancer had to be pretty daring to even try to make a stand in Diann.

Treasure the countless memories as I know I will.

Sincerely,

“ I am so very sorry that Diann has passed. I knew her when she worked at the Litchfield School and she was such a fun great lady! She treated my, now grown children with such love and kindness! I have very fond memories of her and feel my life is little brighter to have known her. May you Rest In Peace my dear friend.
