“ I am going to miss our days together, you waiting at the door for me to come out of town square. You lighted up my days by your smile and your laughter. You will always be my best friend and will have a place in my heart forever. You will always be my princess Di. You have been a part of my family from the first day we met each other. You had a kind heart and spirit and you will be sadly missed. R.I.P. my love your best friend Bonnie
