“ *Doriene was a loving and devoted mother. Throughout our younger years, she worked tirelessly to provide my brothers and me with a clean, bright home, good nutrition (whether we liked it or not!) and approximately 2 zillion miles' worth of transportation. She supported and encouraged us in our school work, and in our widely varied interests in the arts, athletics, scouting and the outdoors, religious activities, and early ventures into the world of work and business. Thanks, Mom! Love you always. - Russ*
