“ *Deepest sympathy to all the Carter family. I just saw Dot in Robinson a few weeks ago. I worked the candy stand for her when my kids played ball. When they finally had a building. Not a wooden table with an extension cord LOL. I always enjoyed doing that. She was a wonderful person. I'll miss bumping into her. Thank you Dot for all you've done for the community. God bless. ❤️*

“ *The Carters have been my neighbors since I moved to Elliott many years ago. Dot and family have been the best; kind, generous and loving. The greatest tribute to the matriarch of the family is the goodness of the family she leaves behind. She will be greatly missed.*

“ I knew Dorothy from grade school she was known then as Reffert she had the first boy girl party I went to. Hadn't seen her for a few years but she remained the same wonderful person she had been all through those years *Anne Brutt*

“ Dorothy was one of a kind. She was sweet, kind and would offer her help always. I know how much Joe and Alice my sister loved her... I just thought she was a firecracker made me laugh a lot. She will be missed.
