“ *Dodie,*
I knew that Dave and I always had your support and love. I also marveled at your bravery as you fought many health problems. I will cherish my wonderful memories of my times with you. I will miss you and your presence in my life. Heaven has gained a lovely soul.

“ *To the BEST mom ever. You were always there for me when I needed you. When I wanted to skip a day of school you always sign my "sick" excuse. When report cards came you always signed it before Dad could see it. Your love and support was always there. I Love you mom, you will always be in my thoughts and prayers I know you are in a better place. Some day we will have that big hug you always gave me. Love, your son Dave.*
