“ *My sympathies to ALL of you. I cared for Ed as his nurse for 2days in hospital. He so touched my heart in so many ways. He just wanted to get home to see his family esp Sharon. He kept saying I am nearly all she has. Prayers.*

*Thank you so much Lori. My father was my rock and will truly be missed but he is with me in spirit and in my heart. I was very fortunate I could be with him and the end and I appreciate everything you did to assist my Dad as well as the other patients you care for every day.
