July 21, 1967 - December 10, 2022

Hey there from Eddie,

This is just saying I will see you later, not a goodbye.

In case you may have forgotten that I was born in West Palm Beach Florida in 1967 on July 21 at Good Samaritan Hospital. My mother held me in her arms for the first time that day; Jean Pearson from Pittsburgh P.A. She had on her side; my Father Daniel Pearson from Pittsburgh P.A.

My sister Dannette Lewark from Pittsburgh P.A., brother Daniel Pearson and David Pearson from West palm beach Fl. yet to meet. It was the beginning of an amazing life and greatest memories to be made. During my journey of life I have had a beautiful family and friends to share it with.

My aunts and uncles Charmaine Osak, husband John Osak, Aunt Sis Pearson Uncle Rick and Aunt Debbie Pearson from my father's side. My Aunt Sis provided me with cousins Jeanie, Donnie, Diane, Jimmy and Brian. My Uncle Rick and aunt Debbie Pearson both gave me my cousins Ricky, Chrisy, Carrie and Dana. My mothers sister, Aunt Lorraine and Uncle Gary gave me my cousin Stacy who married her loving husband Steve.

When I was a kid we lived on 46th St in West Palm Beach until my youngest

brother Davy was born. Then we moved to where most of my childhood memories were made; Shadyside cir. I went to Melaleuca elementary school and Jeferson Davis middle school, man did I terroize those teachers!!

While I stomped the hood made some really good friends, the best of friends. John Christiansin<-sorry I got sick in your car (LOL) and Bob Cuthbert first in my younger years. Later I was blessed to have Richard and John Moller come into my life along with Keith Erdman and Donnie Iholtz; Donnie is known to me as Wally. You guys helped me with some crazy good memories, thank you.

I also was blessed to have a second Floriida family that was as much of a part of my life as my biological family. My Aunt Patsy and Uncle Bob Magennis who treated me like one of their own kids, my Florida cousins Robbie, Mike and PJ. We all used to have Saturday and Sunday barbecues at the house. Birthday parties and days at the lake on the boats, don't forget those backyard football teams they always won. What great times and memories we shared. What a great time I had.all those years.

To all my cousins, know that I love you to the moon and back, especially you Stacy. Not forgetting you either, Chris and Timmy Bofo

During my journey my sister Danette, who is the oldest of my siblings, had her handsome son Ryan who is closest in age to me and daughter Jodi. Ryan married his lovely wife Shenna and Jodi has had three beautiful girls with her devoted husband Tim.

As I get older my family starts to grow bigger and bigger, what a blessing!! My heart is truly full of love and is growing with each passing year.

When I was about twenty my brother Danny married Marie Pearson, mother of my nieces; Dana, Rachel and Leah Pearson. Let me tell you that time

marches on and I even get married a couple times lol. Know when I went into those marriages I loved them ladies but it just didn't work out.

My youngest brother BOCK (LOL- that's between Dave and I) watched him fall in love and marry my beautiful sister in law; ANGELA!! (That's between Angie and I LOL). They started a family and once again my heart got even bigger. First with my nephew Ryan and a few years later my niece Breanna Pearson.

To my nieces and nephews, "Boy how you grew up quick; crazy I tell ya"
I love you all, one each more than the other and in the circle of life that is equal
and Im thankful for you all.

My later years finally brought me to Pittsburgh to be with the love of my life, Rene De Phillips; God I love you!! You are my everything and will forever be my wife, even if the laws of the land don't see it that way.

To all my family and friends, you know how I lived: FAST AND HARD. When rounding the bases of life I would always slide head first.

That's how I did it, leaving no doubt " I did it my way with a full heart of love to each and everyone that has been on My crazy train of life".

"GOD HAS BLESSED ME" I will see you later, love ya!!!!!!

“ *I will miss you cuz. I cherish the time we spent together at camp and so appreciate the effort you always made to join our family birthday parties. I will never forget our visit to Florida when our kids were little and we all dubbed you as "tour guide Eddie". We had so many great times together, I only wish we had time for more. RIP cuz, love you.*
