“ Eleanor, you will be missed. You have always been good to me, I'll never forget bringing you and Bill to my home with Mickey, we sat by the pool and had lunch. I know you are at peace now, God bless you. Give Charlotte a big hug from me. I'll keep you in my prayers, I'll miss you.

“ I just wanted to extend my condolences to the family of Eleanor and know you are up there with the rest of your family. I just wanted to say I enjoyed the couple years we were able to spend together and our talks on the back porch and getting to know each other and lunches we were able to share. I will always cherish them and what a wonderful person you were. Love you and miss you!
