“ Stubborn. Stubborn as any Gepperts blood. We will truly miss this wonderful man. I will especially miss his laugh, if he gave you one, his hugs when he greeted you and the smells of his kitchen. Hugs and prayers to all of the Geppert family

“ He will be sadly missed. I remember his great laugh and the love for his family and friends that he shared through his baking and cooking. Everyone loved his homemade Strombolis and it was always good to be on the drop-off list! My love, support and sympathy to all his family. ❤️😭

“ "Although I have not seen you for many, many years, I will forever remember the smell of baked goods in your kitchen when I was a young girl and staying the weekend with my friend Beverly. I could not wait to be offered one of your rolls stuffed with pepperoni! You were quite the baker and father Mr. Geppert! To the Geppert family, I am so very sorry for your loss!
