*Time and distance took its toll, but we eventually reconnected and enjoyed many long phone calls with each other. I knew he was ill, but he never told me how ill he really was. We hadn't spoken in a while, and after checking his facebook page, I learned of his passing. He was a great guy and a great friend. He could be counted on 24/7/365. He was a Brother in Arms. I will never stop missing him. Rest in peace, Doc.*
