“What does your shirt say?” Being someone who always had something written on her t-shirt, that question came up almost every week when I saw her. And if it suited her, great. If it didn’t then you heard “well if that’s what you like.”😓. In FL her residence was The Windsor of Ocala so “Lady Windsor” seemed the right title. I will miss being your weekly librarian, dropping off audiobooks that you called tapes and your Instacart gal with all your grocery goodies delivered as instructed on your list(promise to keep buying that puffed corn). Sleep well and thanks for all your prayers!❤️
