Please remember that you have us here in the Northeast and we look forward to staying connected as you all carry on Pat's legacy.*

“ *I have many memories of visits from Uncle Pat and Aunt Margie in St Louis. My most memorable one was when our large family all crowded into our station wagon and drove half way across the country to visit the Sullivans in Pittsburgh. I was so young but that trip is still vivid in my mind. Pat and Margie were such gracious hosts to our huge family and planned so many activities while we were there (Must have been a zoo or aquarium because I remember a sea turtle the size of a chair). I always enjoyed visits with my aunt and uncle and cousins! Rest In Peace with Jesus, Uncle Pat!*

We are sorry for your loss, he lived a long life, and was loved. Kevin has wonderful Memories of that trip to Pittsburgh. He remembers touring the Heinz Plant, and eating his first McDonald's hamburger there. I remember Uncle Pat as being funny. Kevin had posted on Facebook, that it was our 35th Anniversary. Uncle said : They are just rookies!!❤️ All of our love to your family.
