“ I'm overwhelmed with sadness to hear about this. George was a kind great friend in high school and at Penn State. I thought of you so often , wondering where you were, wondering if you were playing your guitar or still reading Garfield and always hoping you were happy. My love to your dear mom- Amy Duch Wilkinson

“ *George, Sorry all those years that I broke your B__Is about so many things but you always knew your old uncle Jim was a nut case. I will be fixing those bathroom pipes now. I love you buddy and will miss the friendship. RIP*
