“ We are very saddened by the loss of uncle Gary.
Although we lived far away, he was always close in spirit to his
sister (my mom) and I will always remember his “smiling” face.
May God bless his family and I know he is with Mom!

“ We are very saddened to hear of Uncle Gary's passing. He was very helpful to our family when our mom Dee was ill. We can't thank him enough for all that he did for her and was so caring. He loved his family and really missed his wife Arlene when she passed. He also had a great sense of humor and always made you laugh!!!

We will miss you :(
