“ I am so very sorry to hear of Trudi's passing. as children, she and I would hang out together. When I had moved back here to PA after been gone for 35 years, she and I reconnected through phone calls and tried to plan a day to get together but, unfortunately, we never got the chance. My deepest sympathies to all of her family who I also hadn't seen in many years. May God comfort you and surround you with Love as you go through this time of sadness.
