“ *Many many years ago, my husband Joe was installing a new Versa Lock wall in your mom and dads driveway and Joe was so touched - more than once - while doing his work for them - at how your mom prepared meals while he was there. Gisela insisted he sit down and eat even though Joe liked to work through before breaking for lunch. Joe respectfully accepted and sat to eat with them more than once. We both enjoyed stories shared by the elderly - they have so much life experience and wisdom. I can't say how much the time there with your mom And dad - sharing throughout the days Joe was there meant to him and really touched his heart. Joe would be moved at Gisela's passing, as I also am. I ask God to Bless you all with His comfort, peace, and His presence over your hearts and your many, many memories 🙏. With love, annie*

Thank you so much for sharing this! That sounds exactly like my grandma. And that wall still stands perfectly today!
