“ I have worked at passavant hospital for 50 years. He was the most pleasant outstanding doctor that would walk on to any floor I worked on. We always would have a laugh together no matter what . I have been missing him for years after he had to stop practicing. Rest in peace . Will never forget you 💜

“ *Dr. Singh was a compassionate doctor who helped me get through my cancer. Whe it recurred he took the time to talk to and to recommend another oncologist. He always came into the room with a smile on his face and had a hug for me. He was a Wonderful Doctor and an even better man. Go gently into the night and rest in peace my friend*
The world was a better place with you in it.
