

Harold L. Schenk Jr.

January 27, 1929 - April 10, 2016

Harold Louis Schenk, Jr.

Age 87, of Murrysville, PA, formerly of Columbus, OH, passed on April 10, 2016.

Hal was a kind, generous man who was a loving and loyal father to two daughters, Diane (Bill) Mauroni and Julie Schenk and who adored his two granddaughters, Lydia and Gianna.

Hal graduated from The Ohio State University with a bachelor's and master's degree in Engineering Physics and was an avid OSU Football Fan, along with his surviving Sister, Martha Lindner of Columbus. Hal was drafted into the Army where he did research for two years and then came to Pittsburgh to work as an engineer for Westinghouse for 41 years. Always interested in fitness, Hal was active in the canoe club, and was a runner for many years during which time he accumulated a variety of medals and trophies. In later years, he continued weight lifting several times a week, riding his bike, and hiking with his daughter Julie and her dogs. He enjoyed playing bridge and listening to Pirates baseball. Hal had a terrific sense of humor and loved to joke, having a quick wit up to the very end. He was loved by many, including kind neighbors who were quite fond of him. The words we always heard about Dad from others were "he is such a nice man."
