A Life of Grace & Gratitude

Irene Amelia Malloy joined the Lord on June 1, 2024. She was surrounded by the love of her family and friends. Irene was born on March 7, 1946, in Camden, New Jersey to Irene (Wright) and Jack Malloy. Irene is survived by her eldest brother Raymond Guthrie (her mother, father and younger brother, Burnard Malloy, preceded her in death). Irene is mom to four children, Angela, Antione, Stephon, and LaVette. She loved her children and treasured her 21 grandchildren and 32 great grandchildren. Irene was a member of NA and AA for thirty-four years. She has mentored, loved, inspired, and supported scores of friends. Irene has been called upon to speak of her life story of struggle, redemption, gratitude, joy and her love for Christ; always motivating and guiding with a truthful tongue and loving spirit. Irene had an infectious smile, an unbelievable green thumb; and she loved growing in Christ. She spent her time knitting blankets, cooking for family and friends, meeting her "sisters" for lunch, being Mema, journaling, expressing her gratitude and sharing God's love with others.

Arrangements were entrusted to Thomas M Smith Funeral Home, Blawnox PA. Condolences may be shared at www.thomasmsmithfh.com.

“ *I had the honor of being her nurse. She made sure everyone who set foot in her hospital room knew Jesus. She was one of my favorite patients of all time & I'll always remember + treasure her advice.* ”
