“ *The world has lost a most genuine and kind soul, and I a dear friend. I am blessed to have so many fond memories of times with Jimmy in high school, in and around Fox Chapel, and on visits to Lehigh from Rutgers. He always had a smile on his face and was ready to get out and enjoy life at every turn. I am truly grateful that he was in my life and am a better person as a result. For Marilyn and his family, I hope you can find peace in his loving memory and comfort in the arms of each other and your closest friends. For Jimmy, rest in peace, my friend. You will be missed and remembered with smiles and tears.*

“ *Jimmy was one of the really good guys in high school. Easy going, fun to be around, and just an all around good guy. Jimmy was a great teammate as well on the baseball team. Competitor through and through but, always played with great sportsmanship and was a team player! Keeping the family and friends in thoughts and prayers during this time.*
