

James Wesley Stackhouse

February 8, 1937 - November 5, 2016

James Wesley Stackhouse

Age 79, of Hendersonville, NC, passed away on Saturday, November 5, 2016 at Arden Courts of the North Hills in Pittsburgh, PA, after a courageous battle with Parkinson's Disease.

A passionate and adventurous businessman, Jim was involved in Youth Electronics, Electric Vehicles and International Locomotive Sales for the General Electric Company during his long career as an engineer and director of sales. Later day pursuits included a retail franchise business and real estate acquisitions and transactions.

Jim was the beloved father of Cindy Stackhouse of Allison Park, PA, and the late James William Stackhouse. He was also stepfather to Todd Lester of Asheville, NC, and Amy Lester Dan of Long Island, NY. He is survived by two beloved grandchildren, Ana and Marcus Del Prete of Allison Park, PA.

Jim's lasting memory will be the sense of humor, purpose, adventure and courage with which he lived his life, and the multitudinous ways he found to share his love.

In lieu of flowers, the family requests that any donations be made to Stop

Alzheimer's Now, 300 Beardsley Lane, Ste. A104, Austin, TX 78746 or <http://stopalzheimersnow.org/>, a family charity dedicated to privately funded research combating brain disease.
