“ I was a long time online friend of sweet Janie’s. I hadn’t had the pleasure of meeting her yet in real life, yet we had spoke often about meeting on a beach in Cancun one day soon when it was safe to travel again. She adored her family and shared stories of sweet Rocco and I will miss her wit, banter and kind messages. May her memory be a blessing. 🕊️ I will never forget her.

“ *My sincere condolences to Janie's family. I met Janie & Norb when I was living in Cancun. Whenever they were in town we would all get together for dinner and spend a lovely evening laughing and enjoying the time together. They were both kind, loving and truly wonderful people. Janie and I kept in touch after Norbie passed. I always enjoyed our chats and her wonderful jokes. Janie was one of the kindest, most sincere people I've ever had the pleasure to know. She will be sorely missed.*

“ *Sending my sincerest condolences to the family. I am so incredibly sorry for your loss. I met Janie & Norb when I lived in Cancun and they were always so kind to check in on me and visit when they were in town. I always held them close to my heart. Janie had such a zest for life and I continued to keep in touch with her after Norb's passing. I enjoyed all her Facebook jokes, photos of Rocco and her love for him. Not to mention her shenanigans with the nuns and the flowers she would get from the neighbors. Janie will be missed without a doubt. Sending love to her family during this time. 💜*
