“ Jan always opened her heart and home to all her friends and family. She was the most giving and loving friend anyone could ask for. Always there with a cup of coffee to sit with you and talk or watch jeopardy
My prayers are with the Sweet and Herman family and to all of those who loved Jan.

We know you are looking down on us all with Sam and smiling.
I miss and love you my dear friend

I will miss you always my beautiful sis in law, our travels will be my sweet reminder of our wonderful sisterhood. You had a heart of Gold. The sweet family will not be the same. Missed terribly already. I'm sure you and the sweet brothers are having a wonderful reunion!

Jan was a sweet, wonderful and caring friend. She had an open heart who always looked for the best in people and an open door which always welcomed them into her home and her life. She was quick to say "I love you" and even quicker to show it. Her devotion to God, family and friends was real and deep and all who were included in her life were tremendously blessed because of it. I am going to miss you greatly, my friend. I am a better person because of being in your life, and I thank you for being such an important and treasured part of mine.
